

HGHAYDG-C100D 30KN shock absorber machine

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: THOBO
- Minimum Order Quantity: 50

Product Specification

- Highlight: 30kn shock absorber machine,
30kn shock absorber test machine

Product Description

This equipment is special press-fit equipment designed for pressing the bottom cover of an automobile shock absorber into the liquid storage cylinder. This equipment is primarily made up of a hydraulic pressing system, a push material system, a steel pipe clamping system, and an electronic control system. The electronic control system on this equipment is equipped with a microcomputer control system to guarantee the stability of the production process. The equipment is equipped with a steel pipe clamping and positioning system, which can tighten the bottom cover of the shrinking steel pipe.

S/N	Item	Parameter	Remarks
1	Storage cylinder diameter	$\phi 38.5 \sim \phi 76\text{mm}$	
2	Storage tank height	120~550mm	
3	Pressing force	30KN
